CERTIFICATE OF CONFORMITY

Certificate date: May 19, 2010

Customer	Lawrence Livermore National Laboratory
Order No.	U1456696 Credit Card Order
Order date	March 8, 2010
Quotation reference	100304/1230
Description of optical component	Untriggered spark gap
Drawing #	--
Part Number /CAT# /Stock code#	RK-162-01 untriggered spark gap
Batch# or Lot#	RU-162-01 untriggered spark gap
Qty in this delivery	10 pieces

I. Material	Lot	RK#17-7G/26
--------------------	------------	-------------

II. Polishing parameters	Specification		Actual data
	Nominal	Tolerance	
Dynamic Breakdown Voltage, kV	3.3	--	meets
Average switching power, W	30-80	--	meets
Pulse current, kA	≤ 0.8-2.5	--	meets
Diameter, mm	28.5	--	meets
Height, mm	46	--	meets

III. Coating parameters	Specification		Actual data (measured/ extrapolated)
	Nominal	Tolerance	
--	--	--	--

IV. Notes
